STRUGLER 
International
Manufacturer and Exporter of Dental, Orthodontic Instruments

A Complete instruments Range

INTRODUCTION

Dear Valued Customers

We feel immense pleasure to present our latest catalogue in which we have featured a most comprehensive range of all types of high quality Dental / Orthodontic Instruments required for day to day use for Customers. We will be pleased to quote you a competitive price and delivery time.

All instruments are manufacturing according to the recognized standard patterns currently are using in dent field throughout the world and are being produced under restrict control of experts to avoid any flaw and refrain any complaint at any stage.

A group of very vast experienced persons in manufacturing handling our quality control system.

Any instruments proven defective in workmanship or material will be replaced

We are thankful to our all valued customers and they have confident on our work abilities and productions also looking keep it up for future system and business for long term.

We are always for your services

Detailing step plier

- It has double sided offset beaks permits bayonet bends.
- Automatically forms a bayonet-style step bend, up or down, in or out, without disengaging the archwire.
- It produces right hand or left hand step up or step down at 1/4, 1/2, 3/4 or 1 mm increments.
